\* per admission for unlimited days

**\*FA:** Deductible – Family Aggregation: For plans that cover 2 or more members, the entire family's deductible must be met by one or any contribution of covered members before copays or coinsurance is applied for any family member.

**\*IA:** Deductible – Individual Aggregation: Each covered family member only needs to satisfy his or her individual deductible, not the entire family deductible, before copays or coinsurance is applied for that family member.

**\*\*FA:** Out-of-Pocket Max (OOPMax) – For plans that cover 2 or more members, the entire family's OOPMax must be met by one or any contribution of covered members, **except** that no one individual's OOPMax can be greater than \$6550 on an HSA plan or \$6850 on a non-HSA plan . Once a family's OOPMax is reached, plan services are covered in full for all the covered members of the family.

**\*\*IA:** Out-of-Pocket Max (OOPMax) – Individual Aggregation: Each covered family member only needs to satisfy his or her individual OOPMax, not the entire family OOPMax. Once an individual's OOPMax is reached, plan services are covered in full for that individual.

Plan Summary "B": A deductible is applied to all covered medical and prescription drug benefits. Preventive services are covered in full. Plan includes ExerciseRewards.

Plan Summary "D": Predictable out-of-pocket costs without a deductible, includes ExerciseRewards.
